Faculty of Ocean Engineering
Technology
University Malaysia Terengganu,
Malaysia

RESEARCH INTERESTS

- Numerical Simulation CFD
- Wave Energy Converter
- Overtopping Wave
- Renewable Energy
- Maritime Engineering

LANGUAGE

- English
- Bahasa Melayu

EDUCATION

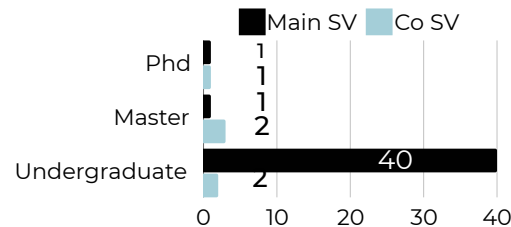

Bachelor of Mechanical Engineering
Universiti Teknologi Malaysia
2002-2007

Master of Mechanical Engineering (Marine Technology)
Universiti Teknologi Malaysia
2008-2009

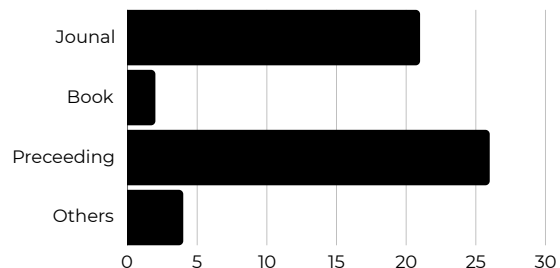

Doctor of Philosophy ,PhD (Maritime Technology)
Universiti Malaysia Terengganu
2014-2018

Post doctoral / NUS Fellow Programme
National University Singapore
2018-2019

SUPERVISOR AND GRANT
